

8th February

**Honouring the Antodaya & Sevadharis**

**Associate Sponsor**

**Health Partner**

**Shri Mansukh Mandaviya**

Hon'ble Union Minister for Health & Family Welfare

**Chief Guest**

## THE MISSION

Create **Barat's 1st Televised Health Awards** focusing on Health Workers, Volunteers (PM-JAY Card Makers, ABHA & NGOs), Beneficiaries (PM-JAY, PMBJP, Social workers), Doctors (District Level), Nurses, Hospitals, Medics (Pharmacists) and Officials behind implementation of public health programmes.

Tell the story of India's health revolution from the **viewpoint of beneficiaries and grassroots workers.**

Make India aware of the impact of public health schemes by hosting on TV the people whose lives have been transformed.

## THE PLATFORM

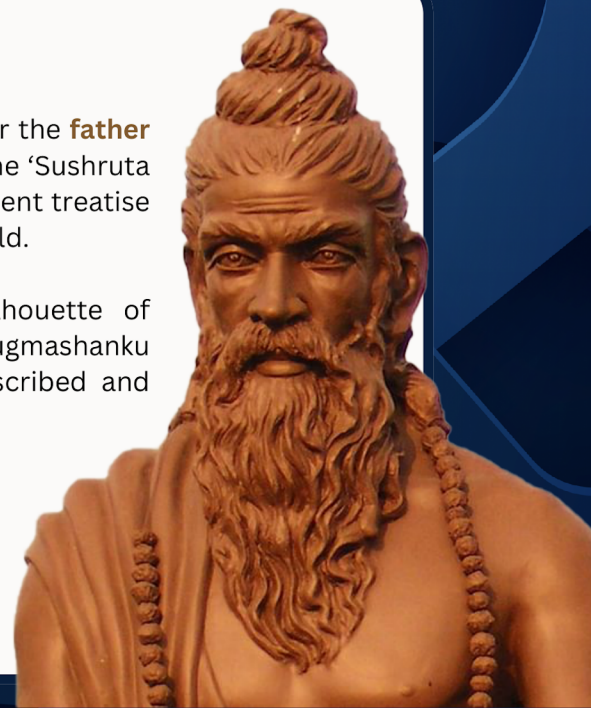

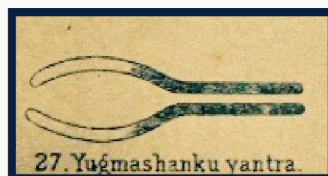

**Medically Speaking** is the dedicated health vertical of the iTV Network. It hosts weekly TV shows on topics related to public health which are aired on NewsX & India News and has a web-portal devoted to the health sector

Medically Speaking organises the Health Awards & Conclave with Shri J.P. Nadda, then Union Health Minister inaugurating the first edition in 2018.

The iTV Network owns & operates 9 news channels & 5 newspapers in India employing more than 1,200 journalists across 17 major bureaus. With 42 online verticals, the network has a monthly reach of 250 million, with 40 million social media followers. It's flagship channels include NewsX & India News

The Awards have been named after the **father of surgery, Sushruta**, whose text the 'Sushruta Samhita' is perhaps the oldest ancient treatise on medicine and surgery in the world.

The logo is inspired by the silhouette of Sushruta, incorporating the 'yugmashanku yantra', a surgical instrument described and used in ancient India.
